PROFITS FOR GROWERS OF WOOL Adds Color Note SINDAY SCHOOL

Little French Nosegay Provides FOUR CORNERS TO THIS HAT Charming Decoration.

Flowers May Be Had in Practically All Shades and Tint Combinations.

The costume which, worn since fall or early winter, has begun to lose ome of its smartness, can be freshened up amazingly by the use of new accessories, suggests the Christian Science Monitor. For example, there are the little French nosegays which add so becom-

ng a note of color to the frock of dark velvet, duvetyn or satin. Even blue serge dress is much improved by the addition of one of these little knots of flowers, if the right sort be chosen. One which added greatly to the effect of a frock of dark brown velvet was composed of a rose and bud of bluish pink velvet, with leaves of light and dark green, a sprig of forget-me-nots, and two dull orange buds. Needless to say, these flowers were all very small. The stems were wound with silver thread, and the nogegay was worn pinned high on the the tailleur. right shoulder. TO CONSOLIDATE AGENCIES.

Harding's Plan For Considering Former Service Men. Washington.-President Harding's ecommendation for a consolidation under a single head of all Government agencies dealing with former service men is to be taken up at once by Conressional leaders and urged for imnediate action. At a conference beween the President and several members of the joint Congressional Government Reorganization Committee it was decided that the service men's bill should not wait for perfection of

the general reorganization plan. NO DILATORY TACTICS.

remier Briand Makes Emphatic An Paris.—Premier Briand reiterated Council—that is the Council before the Foreign Affairs Commission | Premiers—has its next of the Senate his emphatic expression | Whether the American that France would not countenance will be invited to send any dilatory tactics on the part of tive to that meeting has
